CONFIRMATION FOR CUSTOMER

**Ref.:** Dodd-Frank Wall Street Reform and Consumer Protection Act "Conflict Minerals in the Democratic Republic of Congo" – restriction of use of tin, tantalum, tungsten, gold and cobalt in any shape or form purchased by the Democratic Republic of Congo or any adjoining country.

**Everel Product Description:** switches, signal lamps, plugs/sockets, pressure switches, motors and heating elements, electronic devices sold by Everel Group SpA

Dear Customer,

This letter is in response to your request of information regarding Conflict of Minerals from Congo and adjoining countries. The following statements are in support of your request.

Based on the information provided to Everel Group SpA by its raw material suppliers, we confirm that have found that tin, tantalum, tungsten, gold and cobalt in their compound, in case intentionally added in the metal parts used in our products mentioned above, do not originate from the Democratic Republic of Congo or from any adjoining country.

Sincerely,

Everel Group S.p.A.

  
A. Caserta – C.E.O.
