

EU Declaration of Conformity

<i>Issuer's name & address:</i>	Everel Group S.p.A. Società Benefit Via Cavour, 9 – 37067 Valeggio sul Mincio (VR) Italy
<i>Product description:</i>	Signal Lights to be incorporated in household appliances
<i>Type identification name: (brand Molveno, AC)</i>	Serie A5, A6, A7; Serie B5, B6, B7; Serie P5; Serie SPL60; Serie SPL63
<i>Type identification name: (brand: Signal Lux)</i>	Serie 17; Serie 21, 24, 27, 28, 31, 33, 34, 41, 42, 43, 44, 51, 53; Serie 81F, 82F, 83F

The designated products, as per description and identification mentioned above, comply with the following EU harmonized standards & European Directives / Regulations:

- **VDE 0710 (part 11:1968-5; part 1:1969-3):** specifications for lighting fittings with service voltages below 1000 V
- **CEI EN IEC 60335-1:2024:** safety requirements standard specification for electrical appliances used in households and similar electrical appliances. It covers a wide range of appliances with a rated voltage not exceeding 250V for single-phase appliances and 480V for others.
Part 1: General Requirements. Functionality & safety limited to applicable paragraphs no. 8, 11, 16, 21, 29 & 30 as follows:
 - 8 Protection against access to live parts,
 - 11 Heating
 - 16 Electrical strengths
 - 21 Mechanical strength,
 - 29 Clearance & Creepage e
 - 30 Resistance to heat & fire according to CEI EN IEC 60335-1
 - Tab terminals connections according to CEI EN 61210
- **Dir. 2014/35/EU:** low Voltage Directive (LVD) setting safety requirements for electrical equipment operating within specific voltage limits. The directive covers electrical equipment with a voltage rating between 50 and 1000 volts for alternating current (AC) and 75 and 1500 volts for direct current (DC).
- **EMC Directive 2014/30/EU:** also known as the Electromagnetic Compatibility Directive which applies to a wide range of electrical and electronic products placed on the European Economic Area (EEA) market, requiring them to comply with essential protection requirements for electromagnetic compatibility.

- **Regulation EU 2023/988 General Product Safety Regulation (GPSR):** setting general product safety requirement to ensure that products placed on the market in the European internal market do not endanger the health and safety of consumers through a high level of consumer protection.
- **Dir. 2011/65/EU (RoHS II), am. Dir. 2015/863/EC:** restricts the use of certain hazardous substances in electrical and electronic equipment (EEE) to protect human health and the environment.
- **Reach Reg.N.1907/2006 (SVHC):** REACH, which stands for Registration, Evaluation, Authorisation, and Restriction of Chemicals, is a European Union regulation (EC No. 1907/2006) focused on protecting human health and the environment from the risks posed by chemicals. It applies to all chemical substances, whether they are used in industrial processes or consumer products. REACH places the responsibility on industry to manage the risks associated with chemicals and to provide safety information about the list of substances of very high concern published by deputy agency ECHA.
